memorandwm cyd-ddealltwriaeth eiddo

oherwydd fod y pwyllgor yn gweithio drwy'r Saesneg, penderfynwyd cyfieithu y fersiwn derfynnol o'r dogfennau hyn

os ydych chi'n gweld unrhyw fater sydd yn debygol o achosi problem o'i gyfieithu - e.e. geirfa, idiomau, angen termau technegol penodol, a fyddech chi gystal a'i rannu gyda ni mewn da bryd

draft constitution for consultation
memorandum of understanding - general
memorandum of understanding - property

as the committee works through the medium of English it has been decided to translate the final draft of these documents

should you see any translation issues that are likely to cause a problem - e.g. vocabulary, idioms, the need for precise technical terms, would you please share this us at the earliest opportunity
